Morgan Taylor Professional Nail Lacquer and MorgansVoice.org

Coral Springs, FL August 4, 2017– Fighting to Raise Awareness of Drunk Driving and the Deadly Consequences of Bad Decisions.

Morgan Taylor Professional Nail Lacquer (Nail Alliance LLC) and MorgansVoice.org today announced the formation of a common cause goal of fighting to raise awareness about the inconsistencies of Local, State and National penalties when penalizing DUI Drivers.

The initial connection between Morgan Taylor Nail Lacquer and MorgansVoice.org started as only a name connection. But after the horrible and completely preventable “DUI CRASH” that claimed the lives of 3 Passengers (Morgan Taylor Carr, her boyfriend Vincenzo Libio and another friend Kevin Boos) on 9/6/2015 in Tallahassee, FL where both Drunk Drivers survived, the connection became much more than name only. Morgan Taylor Nail Lacquer and Morgan Taylor Carr lived in the same marketplace, one as the product provider and one as the consumer, but both had the same goals:

Make This World A Better Place, One Person At A Time.

MorgansVoice.org is working to change societies perception of DUI drivers and the impact they have on friends, families, even entire communities. Morgan Taylor Nail Lacquer consumers are young adults that need to reinforce their understanding of how deadly DUI Driving can be. This common cause goal is a **“Match Made From Heaven”**. We look forward to continuing Morgans’ legacy thru MorgansVoice.org and Morgan Taylor Nail Lacquers’ philanthropy.

NHTSA.gov statistics say that on average 28 people die every day in an alcohol-related “CRASH”, that’s 1 person every 51 minutes¹. We are going to use MorgansVoice to make a difference in this deadly epidemic.
